We thank the Directors of Yeovil F.C. for allowing us the use of ground and equipment this evening to enable us to welcome our friends and fellow Members of the National Federation of Football Supporters' Clubs to Yeovil, including visitors from the Bath, Ilminster and Taunton Clubs. We sincerely hope that everyone enjoys their short stay with us. These occasions are the means of many friendships being created and do much to foster good relations between Clubs. Thanks are expressed to the Yeovil and District Referees' Society for supplying the Officials, to the Western Gazette Co. Ltd. for donating the programmes, to Supporters who have come along this evening and last, but by no means least, to the lads playing in both teams.
